Europe

Intro: **Em Bm G C C G D Em**

Nothing looks quiet the same
Em Bm G C C G D Em
I see people and places in a new light again
Em Bm G C C G D Em
There's a grace ascendent to a broken sky
Em Bm G C Am
Now I know, there's a reason why
C D
I feel so alive

Cause tonight, there's a new love in town
Em C G D
Waking emotion, I thought I'd never find
Em D Am Em Am
Yes tonight how you turned it around
Em Bm G C
I wanna tell the whole world
C G D Em
There's a new love in town

It s been a strange kind of low
Always held my head up high
Little did I know
That my rose-tinted reality
Would soon fall apart
Just by holding you gently
There's a hope in my heart
I m out of the dark

So tonight there's a new love in town
Waking emotion, I thought I'd never find
Yes tonight, how you turn it around
I want to tell the whole world
There's a new love in town

D C Am
And everyone I met has made me what I am today
D Am G
And every choice I made has led me here today
D Am
And every time I see your face
D
I find my way
