I m catching the fast train **D**
Soon i ll be long, long gone **C**

And i shoot through the night
Like a bullet from a loaded gun
They been trying to use me
Lie and abuse me
They re trying to break me **D**
No one can take me, no way **C A**

D C D/C/G D C D/C/A/G
Now i m way down, i m way down
Yes i m way down,

I woke up this morning
Leaving on my mind
And i said to myself
I ain t gonna waste more time, no

I need someone to save me
Love and embrace me

They been trying to get me
Trying to set me up, bad luck

Now i m way down, i m way down

Yeah, yeah
I got time on my head **D**

I know what i ll do **C**

I know i m come through **F**
Cause i know in my heart
There are things to be said
From the pain that i suffer
And the crush that i ll pay

Now i m way down, i m way down
Yes I m way down, i m way down

Yes i m way, way, way, way down
I m way, way, way down
I m way, way, way down
