Love is a stranger in an open car  
**F#**  
To tempt you in and drive you far away  
**F#** **C#**  
And I want you, and I want you, and I want you so it s an obsession  
**F#** **C#**  
And I want you, and I want you, and I want you so it s an obsession

Love is a danger of a different kind  
To take you away and leave you far behind  
And love, love, love is a dangerous drug  
You have to receive it and you still can t get enough of the stuff

**F#**  
It s savage and it s cruel and it shines like destruction  
Comes in like the flood and it seems like religion  
It s noble and it s brutal, it distorts and deranges  
**C#**  
And it drenches you up and you re left like a zombie  
**F#** **C#**  
And I want you, and I want you, and I want you so it s an obsession

**F#**  
It s guilt edged, glamorous and sleek by design  
You know it s jealous by nature, false and unkind  
**C#**  
It s hard and restrained and it s totally cool  
( **F# C#** )  
It touches and it teases as you stumble in the debris

**F#** **C#**  
And I want you, and I want you, and I want you so it s an obsession  
And I want you, and I want you, and I want you so it s an obsession  
And I want you, and I want you, and I want you so it s an obsession  
And I want you, and I want you, and I want you so it s an obsession
