And I want you, and I want you, and I want you so it s an obsession

G

D

And I want you, and I want you, and I want you so it s an obsession

Love is a danger of a different kind

To take you away and leave you far behind

And love, love, love is a dangerous drug

You have to receive it and you still can t get enough of the stuff

G

It s savage and it s cruel and it shines like destruction

Comes in like the flood and it seems like religion

It s noble and it s brutal, it distorts and deranges

D

And it drenches you up and you re left like a zombie

G

D

And I want you, and I want you, and I want you so it s an obsession

G

It s guilt edged, glamorous and sleek by design

You know it s jealous by nature, false and unkind

D

It s hard and restrained and it s totally cool

(G D)

It touches and it teases as you stumble in the debris

G

D

And I want you, and I want you, and I want you so it s an obsession

And I want you, and I want you, and I want you so it s an obsession

And I want you, and I want you, and I want you so it s an obsession

And I want you, and I want you, and I want you so it s an obsession
