Just keep the distance
I like you but I can
I know you're too fool to understand.

And I'm prepared for your changes
And now I can't see your maybe is late, so

Help me

The name of my love, I can't remember
I've fallen in love.

So many things are going crazy
When I'm with you dumb
?Cause you were so damn fine.

But you're a dumb
You're dumb
I miss you, dumb
I love you, dumb.

You're a dumb
You're a dumb
I miss you, dumb
I love you, dumb.
