

Anniversary Song

Eva Cassidy

C **Cmaj7**
Today has been a special day
Am **G**
An anniversary a request
C **Cmaj7**
That you play your piano
Am **G**
As the evening sun slowly sets

Dm **G**
I never thought I d get this old dear
Em **Am**
Never had a reason to live so long
Dm **G**
And the Lord s been like my shadow
Em **Am**
Even when I was wrong
F **D** **G**
No I never thought it would turn out this way

C **Cmaj7**
A birthday with apologies
Am **G**
For all the tears and regrets
C **Cmaj7**
And I ve always saved your poetry
Am **G**
For these years when you forget

Dm **G**
I never thought I d get this old dear
Em **Am**
Never had a reason to live so long
Dm **G**
And the Lord s been like my shadow
Em **Am**
Even when I was wrong
F **D** **G** **G7**
No I never thought it would turn out this way

C **E**
So sing with me softly
Am **C**
As the day turns to night
F
And later I ll dream
Em **Dm**

Of paradise with you
