**Eva Denis**

[Intro]

**A E D**

**A E A**

[Verse]

**A E D**

I wish I could cry my heart out

You find me there under the stairs that leads to the stars

**F#m E D**

And if I should fly, fly away with me

**F#m E D**

And if I should cry, don't look away

And if I should stay, stay with me

[Instrumental]

**A E D**

**A E A**

[Verse]

You left me wandering by the kissing gate

**A E D**

While I heard you so solemnly declare

[Chorus]

That if I should fly, you'd fly away with me

**F#m E D**

And if I should cry, you wouldn't look away

**F#m E**

And if I should stay, stay with me

Cuz if I did I wouldn't feel this pain no more
