Rather Be Dead Evalyn [Intro] Em Am Bm C [Verse 1] Em Early morning, hear you creepin Am Losing my head, baby, where have you been? Bm C Far away, so far away Em Yeah, I m thinkin you been drinkin Am BmI let it sink in, baby, when I say you re not the same C No, not the same [Pre-Chorus] Em I swear to God I won t see you again Am Everytime that we fight Bm The smell of the liquor don t scare me away С But one of these days it just might [Chorus] G Em I m fine til I crash down from the high Am And I wake up by your side Can t make up my mind I would tell you that I love you but I d rather be dead Em G And that s why, when you pulled this shit before Am That I d walk right out the door But I m back for more Em I would tell you that I love you but I d rather be dead [Verse 2] Em

Can t check your phone when you re out with your friends Am Not comin home yet, so I m gettin stoned, yeah Bm Every night, oh, every night Em And it s a problem how far I ve fallen Am I hit the bottom cause I keep on callin Bm All the time, oh, all the time [Pre-Chorus] Em I swear to God I won t see you again Am Everytime that we fight Bm The smell of the liquor don t scare me away C But one of these days it just might [Chorus] G Em I m fine til I crash down from the high Am And I wake up by your side Can t make up my mind I would tell you that I love you but I d rather be dead G Em And that s why, when you pulled this shit before Αm That I d walk right out the door But I m back for more C I would tell you that I love you but I d rather be dead [Bridge] Em Got it bad, sick in the head Am It makes you laugh cause I always come right back to ya Bm Got it bad, sick in the head С It makes you laugh cause I always come right back to ya Em Got it bad, sick in the head Am It makes you laugh cause I always come right back to ya

Bm Got it bad, sick in the head С It makes you laugh cause I always come right [Chorus] G Em I m fine til I crash down from the high Am And I wake up by your side Can t make up my mind C I would tell you that I love you but I d rather be dead Em G And that s why, when you pulled this shit before Am That I d walk right out the door But I m back for more C I would tell you that I love you but I d rather be dead [Outro] Em Am Bm C
