You were falling from me

while I was falling for you

have told me by now

to waste your time

And I hardly considered  
**Em** **G**  
you a waste of mine

**F** **G**  
Iâ€™m just another mistake

you know that I tried

Iâ€™m replaying every word you said

ways to say goodbye

I tried to give you more

and get it off your chest
