G5	D5
Once again I	just can t get it straight
G5	D5
Wondering if	wandering is my fate
Bm	A
But don t lose hope in me	quite yet
G	Gm
cause help must be on the way,	any day

D **F#**
From my head to my heart
G **E**
can t seem to find a way they re so far apart
D **F#**
It s not you, it s not your fault
G **E**
You ve got everything I could ever want
D **F#**
And you ve always understood my intentions are good
G **E**
and we ve been so close from the start
D **A**
but the furthest distance I ve ever known is
G **D**
From my head to my heart

I feel the distance standing here next to you
I don t want to keep you waiting, but I ve been waiting too
Some day if I get there and you still want me too
we can see it through

From my head to my heart
can t seem to find a way they re so far apart
It s not you, it s not your fault
You ve got everything I could ever want
And you ve always understood my intentions are good
and we ve been so close from the start
but the furthest distance I ve ever known is
From my head to my heart

Furthest distance I ve ever known is
From my head to my heart
My head to my heart
