- Great song and easy to learn... Have fun and sing it like you mean it!!

Bb
The sky has lost it s color
F
The sun has turned to grey
Dm
At least that s how it feels to me
Csus-C
Whenever you re away
Bb(7)
I crawl up in the corner
F
As I watch the minutes pass
Dm
Each one brings me closer to
Csus
The time when you ll be back
C
You re coming back

F
I can t take the distance
C
I can t take the miles
Dm
I can t take the time
Bb **C**
Until the next time I see you smile
I can t take the distance
And I m not ashamed
That I can t take a breath without saying your name
I can brave a hurricane
And still be standing tall when all the dust has settled down
But I can t take the distance

I still believe in feelings
But sometimes I feel too much
I make believe you re close to me
But it ain t close enough
Not nearly close enough

Thats it! Any more requests, e-mail me. Also, some chords might be a bit off--i did this quickly, so any corrections are welcome!!
