- Great song and easy to learn... Have fun and sing it
like you mean it!!

B
The sky has lost it s color
F#
The sun has turned to grey
Ebm
At least that s how it feels to me
C#sus-C#
Whenever you re away
B(7)
I crawl up in the corner
F#
As I watch the minutes pass
Ebm
Each one brings me closer to
C#sus
The time when you ll be back
C#
You re coming back

F#
I can t take the distance
C#
I can t take the miles
Ebm
I can t take the time
B **C#**
Until the next time I see you smile
I can t take the distance
And I m not ashamed
That I can t take a breath without saying your name
I can brave a hurricane
And still be standing tall when all the dust has settled down
But I can t take the distance

I still believe in feelings
But sometimes I feel too much
I make believe you re close to me
But it ain t close enough
Not nearly close enough

Thats it! Any more requests, e-mail me. Also, some chords might be a bit off--i did this quickly, so any corrections are welcome!!
