- Great song and easy to learn... Have fun and sing it like you mean it!!

D
The sky has lost it s color

A
The sun has turned to grey

F#m
At least that s how it feels to me

Esus-E
Whenever you re away

D(7)
I crawl up in the corner

A
As I watch the minutes pass

F#m
Each one brings me closer to

Esus
The time when you ll be back

E
You re coming back

A
I can t take the distance

E
I can t take the miles

F#m
I can t take the time

D **E**
Until the next time I see you smile
I can t take the distance
And I m not ashamed
That I can t take a breath without saying your name
I can brave a hurricane
And still be standing tall when all the dust has settled down
But I can t take the distance

I still believe in feelings
But sometimes I feel too much
I make believe you re close to me
But it ain t close enough
Not nearly close enough

Thats it! Any more requests, e-mail me. Also, some chords might be a bit off--i did this quickly, so any corrections are welcome!!
