

Praying For The Same Things
Evan Craft

Intro: **C**

V1

Am7
God it's me again
C
In the exact same spot
F
I'm back here on my knees again
Am7
I feel it moving in
C
The paralyzing fear
F
That all my prayers fall on deaf ears

Pre-chorus:

F7+ **G**
I know, I know you don't need reminding
Am7 **C/E** **Dm7**
You know every word before it's said
F7+ **G**
I'll put my trust in your perfect timing
Am7 **C/E** **G(add4)**
Cause this is not, this is not the end

Chorus:

C **Dm7**
So I'll keep praying, for the same things
F
Even after all these years
Gsus
Still you care enough to hear me out
Am7 **G/B** **C**
You're faithful in the waiting
F
Till my heart becomes your heart

Till my ways become your ways
Gsus **C**
That's why I pray
Dm7 **F**
For the same things

V2:

Let your kingdom come
Heal my family and give me the faith to start my own
Let your will be done
When my future's in the grave
Let Heaven have the final say

Pre-chorus:

I know, I know you don't need reminding
Y esto no, no es mi final (esto no, define mi final)

Chorus:

Confiaré en tus promesas
Escuchas cada oración
Cada duda, y temor
Y eres fiel en la espera
Moldéame a tu corazón
Hasta ser como Tú, mi Dios
Yo confiaré en tus promesas
