

Love Hate

Evan Taubenfeld

so i love this song and there were no chords or tabs for it and i was messing on my guitar and thought these sounded pretty good. :) have fun.
no capo

Bridge

(Palm mute)

G#

If I knew what I know now, I would have never got in

G#

I thought I had you down, I never saw this coming

G#

I cannot wait for the day when I can finally get out

G# (Hard strum) **G#**

I wanna see your face, you wanna f**k me now

Chorus

Its not perfect but this is now the only one on the internet as it is unreleased
but you can find it on you tube and it sounds pretty good to me.
