[Verse 1]

 D5 A5
I recall the first time
 B5 A5
that your picture caught my eye,
 D5
cracked a smile,
 A5 B5 A5
cause I knew I had to have you.
 D5 A5 B5 A5
It wasn't long, broke the rules and it's so hard to keep it cool.
 D5 A5 B5 A5
Called you up, came right over, just to get you.
 G A
And every single chance I took was worth it.
 Bm A*
Cuz every little inch of you is perfect.

[Chorus]

 D A
And when I saw you in real life,
 Bm G
I knew I had to make you mine
D
Heaven must have sent you

A

I d die if I couldn t get you

Bm **A** **G** **A#** **D5** **A5**
Too good to be true, and that s why it s just a matter of time,
B5 **A5** **D5** **A5** **B5** **A5**
before I make you mine.

[Verse 2]

D5 **A5** **B5** **A5**
The next night, we go out, not a single soul around.
D5 **A5** **B5** **A5**
Bite my lip, cause she almost makes me nervous.
D5 **A5** **B5** **A5**
In the park, on the grass, things are moving really fast.
D5 **A5** **B5** **A5**
She pulls me in, God I love the taste on her lips.
G **A**
And every single chance I took was worth it.
Bm **A***
Cuz every little inch of you is perfect.

[Chorus]

D **A**
And when I saw you in real life,
Bm **G**
I knew I had to make you mine
D
Heaven must have sent you
A
I d die if I couldn t get you
Bm **A** **G** **A#** **D5** **A5**
Too good to be true, and that s why it s just a matter of time,
B5 **A5** **D5** **A5** **B5** **A5**
before I make you mine.

[Bridge]

D6 (7X77XX)
I know that it s late.
D5
The sun s coming out.
A5
She walks on the plane.
F# **B5**
I m stuck on the ground.
E5 **G5** **A5***
And as I turn away, she turns around and starts to say.

every single chance I took was worth it.
