

**All That Im Living For  
Evanescence**

**D#m7**                    **B**  
All that I m living for  
All that I m dying for  
All that I can t ignore alone at night

**D#m7**  
I can feel the night beginning  
Separate me from the living

**B7+**  
Understanding me after all I ve seen

**D#m7**  
Piecing every thought together  
Find the words to make me better

**B7+**    **A#7**  
If I only knew how to pull myself apart

**D#m7**                    **B**  
All that I m living for  
All that I m dying for  
All that I can t ignore alone at night  
All that I m wanted for  
Although I wanted more  
Lock the last open door  
My ghosts are gaining on me

**D#m7**  
I believe that dreams are sacred  
Take my darkest fears and play them

**B7+**  
Like a lullaby, like a reason why

**D#m7**  
Like a play of my obsessions  
Make me understand the lesson

**B7+**    **A#7**  
So I ll find myself, so I won t be lost again

**D#m7**                    **B**  
All that I m living for  
All that I m dying for  
All that I can t ignore alone at night  
All that I wanted for  
Although I wanted more  
Lock the last open door  
My ghosts are gaining on me
