```

F#m                A                E
Dear my love, haven t you wanted to be with me
      F#m                A                E
And dear my love, haven t you longed to be free
F#m                A                E
I can t keep pretending that i don t even know you
F#m                A    E
And at sweet night, you are my own
F#m                E
Take my hand

```

```

      A                E                F#m
We re leaving here tonight
      D

```

```

There s no need to tell anyone
      Bm                E
They d only hold us down
      A    E                F#m
So by the morning light
      D

```

```

We ll be half way to anywhere
      Bm                E                A    E
Where love is more than just your name
F#m                A                E
I have dreamt of a place for you and i
F#m                A                E
No one knows who we are there
F#m                A                E
All i want is to give my life only to you
F#m                A                E

```

I ve dreamt so long i cannot dream anymore

F#m A E

Let s run away, i ll take you there

Bm C#m

Forget this life (essa parte deve ser feita na corda a dedscendo o braco)

D

Come with me

E

Don t look back you re safe now

Bm C#m

Unlock your heart

D

Drop your guard

E

No one s left to stop you now
