

**Before The Dawn**  
**Evanescence**

[Intro:] **Am F**

**Am** **F**  
Meet me after dark again and I ll hold you  
**Am** **F**  
I am nothing more than to see you there  
**G** **F** **G/B**  
And maybe tonight, we ll fly so far away  
**F** **G** **Em** **Am F**  
We ll be lost before the dawn

If only night can hold you where I can see you, my love  
Then let me never ever wake again  
And maybe tonight, we ll fly so far away  
We ll be lost before the dawn

**F#m** **E** **G#m** **D#m** **A#m**  
Somehow I know that we cant wake again from this dream  
**G#**  
It s not real, but it s ours  
**F#** **G#** **A#m** **G#/C**  
Maybe tonight, we ll fly so far away  
**F#** **G#** **Fm** **A#m**  
We ll be lost before the dawn
