

Breathe no more
Evanescence

Bm G A Bm G A
I ve been looking in the mirror for so long

Bm G A Bm G A
That I ve come to believe my soul s on the other side

Bm G A Bm G A
All the little pieces falling shatter

Bm G A Bm G A
Shards of me too sharp to put back together

F# G
Too small to matter

Bm A F# G
But big enough to cut me into so many little pieces

A
If I try to touch her

G A G A
And I bleed, I bleed

Bm A Bm A
And I breathe, I breathe

Bm
No more

Bm G A Bm G A
Take a breath and I ll try to draw from my spirit s well

Bm G A Bm G A
Yet again you ll refuse to drink like a stubborn child

Bm G A Bm A G A
Lie to me, convince me that I ve been sick forever

Bm G A Bm G A
And all of this, will make sense when I get better

F# G
But I know the difference

Bm A
Between myself and my reflection

I just can't help but to wonder

Which of us do you love?
