

Breathe no more  
Evanescence

Bm G A Bm G A  
I ve been looking in the mirror for so long

Bm G A Bm G A  
That I ve come to believe my soul s on the other side

Bm G A Bm G A  
All the little pieces falling shatter

Bm G A Bm G A  
Shards of me too sharp to put back together

F# G  
Too small to matter

Bm A F# G  
But big enough to cut me into so many little pieces

A  
If I try to touch her

G A G A  
And I bleed, I bleed

Bm A Bm A  
And I breathe, I breathe

Bm  
No more

Bm G A Bm G A  
Take a breath and I ll try to draw from my spirit s well

Bm G A Bm G A  
Yet again you ll refuse to drink like a stubborn child

Bm G A Bm A G A  
Lie to me, convince me that I ve been sick forever

Bm G A Bm G A  
And all of this, will make sense when I get better

F# G  
But I know the difference

Bm A  
Between myself and my reflection

**F#**

**G**

I just can't help but to wonder

**A**

Which of us do you love?

**G A**

**G A**

So I bleed, I bleed

**Bm A**

**Bm A**

And I breathe, I breathe no...

**G A**

**G A**

Bleed, I bleed

**Bm A**

**Bm A**

And I breathe, I breathe

**Bm A**

**Bm A**

I breathe, I breathe

**Bm**

**G**

**A**

**Bm**

No more
