If you want to live, let live
if you want to go, let go
I m not afraid to dream - to sleep, sleep forever
I don t need to touch the sky
I just want to feel that high
and you refuse to lift me

Dm   **C**   **Am**   **A A7**
guess it wasn t real after all
Dm   **C**   **Am**
guess it wasn t real all along

F#   F7   F#7   F7
If I fall and all is lost
     C   Am   A
its where I belong
