**Evanescence**

**Cm Cm7/Bb Am7(b5) G#7M G7(4) G7**

My black backpack s stuffed with broken dreams

**Cm Cm7/Bb Am7(b5) G#7M G7(4) G7**

20 bucks should get me through the week

**Cm Cm7/Bb Am7(b5) G#7M G7(4) G7**

Never said a word of discontentment

**Cm Cm7/Bb Am7(b5) G#7M**

Fought it a thousand times but now

**G7(4) G7**

I m leaving home

**Cm**

Here in the shadows

**Fm G7(4) G7**

I m safe I m free

**Cm**

I ve nowhere else to go but

**Fm G7(4) G7**

I cannot stay where I don t belong

Two months pass by and it s getting cold

I know I m not lost I am just alone

But I won t cry I won t give up I can t go back now

Waking up is knowing who you really are

Show me the shadow where true meaning lies

So much more dismay in empty eyes
