I ve been watching you from a distance
The distance sees through your disguise
All I want from you is your hurting
I want to heal you

I ll endure your suffering
B/D#   **G7**   **Cm7**
Place onto me your burden
G#7M   **G7**   **Cm7**
I ll drink your deadly poison

Why should I care if they hurt you
Somehow it matters more to me
Than if I were hurting myself
Save you (save you)
I ll save you fear not the flame of my love s candle
