

Hi-lo

Evanescence

[Intro] **E4, Am/F**

E4 **Am/F**
I don t know your heart
E4 **Am/F**
I don t know where to begin
E4 **Am/F**
But I could feel you erasing
E4 **D**
The rivers I m drawn in
E4 **Am/F**
The more I stood still
E4 **Am/F**
The faster you were running
E4 **Am/F**
You don t know how it feels
E4 **D**
Crawling under your skin

E4
So far, so far away
F **E**
Don t you know we could be

A, A4/F
High or low
F **E**
You never fell beneath me
A, A4/F, E, E7
And I gave up on you
F **G**
But I never forgot you

E4, Am/F

E4 **Am/F**
I can t be your friend
E4 **Am/F**
Hold your hand while you bleed
E4 **Am/F**
There s nothing left to give you
E4 **D**
Nothing more I need
E4 **Am/F**
Time to let it sleep
E4 **Am/F**
Oh, the damage was real
