

Lies(remix)

Evanescence

D5

Bind, my limbs with fear (fear)
Choke me with tears (tears)
I won t die for you
You ve, been here before (before)
And come back for more (more)
But not this time

D5

You ll never be strong enough
You ll never be good enough
You ve never concieved in love
You will not rise above

Chorus:

D5 **C5**
Somebody tell me what made us all believe you
F5 **G5** **Bb5**
I should have known all along it was all a lie
(Should have known it was all a lie)

D5

Now, I know the truth (truth)
I m through fearing you (you)
And I am free

D5

You ll never be strong enough
You ll never be good enough
You ve never concieved in love
You will not rise above

:Chorus:

(Chanting)

:Chorus x2:
