**Lose Control**
**Evanescence**

intro:[**E Eb**]

**E                              Eb**
You don t remember my name
**E                    Eb**
I don t really care
**E                              Eb**
Can we play the game your way?
**E                        Eb**
Can I really lose control?

**C#                              D#**
 Just once in my life
**C#                              D#**
 I think it d be nice
**C#                                  D#**
Just to lose control- just once
With all the pretty flowers
     **E       Eb**
in the dust

(**E Eb**)
Mary had a lamb
His eyes black as coals
If we play very quiet, my lamb
Mary never has to know

(**C# D#**)
Just once in my life
I think it d be nice
Just get to lose control- just once

(**G# E**)
If I cut you down to a thing I can use
I fear there will be nothing good left of you
