

**My Heart Is Broken**  
**Evanescence**

**B Abm Eb B**  
I will wander till the end of time  
**Db**  
torn away from you

**Eb B Eb Abm (C#)**  
I pulled away to face the pain  
**Eb B Eb**  
I close my eyes and drift away  
**Abm (F#)**  
over the fear

**B Abm Eb (F#)**  
that I will never find  
**B Abm Eb (F#)**  
a way to heal my soul  
**B Abm Eb B**  
and I will wander till the end of time  
**C#**  
torn away from you

**Eb B F# C#**  
My heart is broken  
**Eb B F# C#**  
sweet sleep, my dark angel  
**Ebm**  
deliver us from sorrow s hold

**Eb B Eb Abm**  
(over my heart, heart)

**Eb B Eb Abm (C#)**  
I can t go on living this way  
**Eb B Eb Abm**  
But I can t go back the way I came  
**(F#)**  
chained to this

**B Abm Eb F#**  
fear that I will never find  
**B Abm Eb**  
a way to heal my soul  
**B Abm Eb B**  
and I will wander till the end of time  
**C#**  
half alive without you

**Eb B F# C#**  
My heart is broken

**Eb B F# C#**  
sweet sleep, my dark angel  
**Ebm**  
deliver us

**Ebm**  
Change  
**Ebm Bb**  
Open your eyes to the light

**B F# B**  
I denied it all so long, oh so long  
**Eb**  
Say goodbye  
**B C#**  
Goodbye

**Eb B F# C#**  
My heart is broken  
**Eb B F# C#**  
Release me, I can't hold on  
**Ebm**  
Deliver us

**Eb B F# C#**  
My heart is broken  
**Eb B F# C#**  
sweet sleep, my dark angel  
**Ebm**  
deliver us from sorrow s hold
