

**Never Go Back**  
**Evanescence**

**Fm5**

Everything is so dark

**Eb5**

And I know there s something wrong but I can t turn the light on

**Fm5**

In that split second change  
When you knew we couldn t hold on

**Eb5**

**Fm5**

I realized I lived to love you

**G#**

Save yourself  
Don t look back

**Cm Bb**

Tearing us apart until it s all gone

**G#**

**G**

**Cm Bb**

**Eb**

The only world I ve ever known sleeps beneath the waves

**G#**

But I remember

**Fm5**

I won t give up on you  
I can feel you in my heart just show me the way

**Eb5**

I don t belong here. Alone

**Fm5**

I can still see your face  
Where it s burned into my mind  
I die every time

**Eb**

I close my eyes you re always there

**G#**

Save yourself  
Don t look back

**Cm Bb**

Tearing us apart until it s all gone

**G#**

**G**

**Cm Bb**

**Eb**

The only world I ve ever known sleeps beneath the waves

**G#**

**Cm**

**Bb**

But I m the one who s drowning

**G#**

**G**

Without your love

**Fm**

**G#**

I am lost and I can never go back home

**Fm** **Cm**  
All across the ocean  
We are calling  
Calling  
Are you there?  
Nothing left for me till I find you because it s

**Cm** **Bb**  
All gone  
**G#** **G** **Cm Bb** **Eb**  
The only world I ve ever known sleeps beneath the waves  
**G#** **Cm** **Bb**  
But I m the one who s drowning  
**G#**  
Without your love  
**Fm** **G#** **G**  
I am lost and I can never go back home  
**G#** **G** **Fm**  
I can never go back home
