I sense there s something in the wind
That feels like tragedy s at hand
And though I d like to stand by him
Can t shake this feeling that I have
The worst is just around the bend.

And does he notice
My feelings for him
And will he see How much he means to me
I think it s not to be.

What will become of my dear friend?
Where will his actions lead us then?
And though I d like to join the crowd
In their enthusiastic cloud
Try as I may it doesn t last

And will we ever
End up together
No, I think not, it s never to become
