

Snow White Queen
Evanescence

(Neste ponto da música, só se ouve o som das pickups do DJ,
mas tocando assim fica legal)

[C#5 C]

stoplight lock the door
don t look back
undress in the dark
and hide from you
all of you

[C D A]

You ll never know the way your words have haunted me
I can t believe you d ask these things of me
you don t know me

[Refrão]

Em D C

You belong to me

Am Em

my snow white queen

D C Am

there s nowhere to run, so lets just get it over

Em D C

soon I know you ll see

Am Em

you re just like me

D C Am Em D

don t scream anymore my love, cause all I want is you

[C#5 C]

Wake up in a dream
frozen fear
all your hands on me
I can t scream, I can t scream

[C D A]

I can t escape the twisted way you think of me
I feel you in my dreams and I don t sleep
I don t sleep

[Refrão]

C Am

I can t save your life

D C Am

though nothing I bleed for is more tormenting

Em D C
