```

E5                G5                A5
I tried to kill the pain but only brought more
E5                G5                A5
I lay dying and I m pouring crimson regret and betrayal

```

```

E5                G5                A5
I m dying, praying, bleeding and screaming
E5                G5                A5
Am I too lost to be saved am I too lost?
E5                G5                A5
My God, my tourniquet return to me salvation
E5                G5                A5
My God, my tourniquet return to me salvation

```

(I want to die)

```

E5                G5                A5
Do you remember me lost for so long
E5                G5                A5
Will you be on the other side or will you forget me

```
