

Understanding Evanesence

[Intro:] C D Em

Em D C D
The pain that grips you the fear that binds you
B7 Em D
Releases life in me in our mutual
C D
Shame HIDE OUR EYES to blind them from the truth
B7 Em
That finds a way from who we are

Please don't be afraid when the darkness fades away
The dawn will break the silence screaming in our hearts
My love for you still grows this I do for you
Before I try to fight the truth my final time

C D
Can't wash it all away
Em
Can't wish it all away
C Em
Can't cry it all away
Am
Can't scratch it all away

Lying beside you listening to you breathe
The life that flows inside of you
Burns inside of me hold and speak to me
Of love without a sound tell me you
Will live through this
And I will die for you cast me not away
Say you'll be with me for I know
I cannot bear it all alone

Can't fight it all away
Can't hope it all away
Can't scream it all away
It just won't fade away, No
