

Your Star
Evanescence

Cm

I can t see your star

I can t see your star

Bb

G

Cm

Though I patiently waited, bedside, for the death of today

Cm

I can t see your star

The mechanical lights of Lisbon frightened it away

Cm

G

And I m alone now

Cm

Fm

Me and all I stood for

Cm

We re wondering now

G

Cm

All in parts in pieces, swim lonely

Fm

Find your own way out

So far away

It s growing colder without your love

Why can t you feel me calling your name?

Can t break the silence, it s breaking me

D

All my fears turn to rage

Gm
