Verse 1:

```

      D          G      D          G      D
Hello, I m your martyr, will you be my gangster
          G          Bb
can you feel my trigger hand, moving further down your back
      D      G          D      G
when you hide, hide inside that body
          D          G
but just remember that when I touch you
          Bb
the more you shake, the more you give away

```

Chorus:

```

D          Bb          G
cold, but I m still here, blind, cause I m so blind, say never

we re far from comfortable this time
D          Bb          G
cold, now we re so cold, mine, and you re not mine, say never

we re far from obvious this time

```

Verse 2:

```

D      G          D      G          D

```

wait, another minute here, time will kill us after all

G **Bb** **D**

now can you feel its second hand wrapped around your neck

G **D** **G** **D**

so fall into my eyes and fall into my lies

G

but don't you forget

Bb

the more you turn away, the more I want you to stay

Chorus:

D **Bb** **G**
cold, but I'm still here, blind, cause I'm so blind, say never

we're far from comfortable this time

D **Bb** **G**
cold, now we're so cold, mine, and you're not mine, say never

we're far from obvious this time

Verse 3:

Bb **F** **D**
you're so endearing, you're so beautiful,
F **Bb**
well I don't look like they do, and I don't love like they do
F
but I don't hate like they do

am I ever on your mind?

Chorus:

D **Bb** **G**
cold, but I'm still here, blind, cause I'm so blind, say never

we're far from comfortable this time

D **Bb** **G**
cold, now we're so cold, mine, and you're not mine, say never

we're far from obvious this time

D **Bb** **G**
Cold, you broke me from the very first night

D

I'd love you 'til the day that I die

Bb **G**

we're far too comfortable this time

D **Bb** **G**
Cold, I loved you from the very first night

D

you broke me til the day that I die

Bb G

I m far too obvious this time
