Evans Blue - Quote

## Standard Tuning

Capo 1st fret

Tabbed on Acoustic

Intro and verses play around on Am

Others have tabbed the intro/verses,

but this tab only shows

chorus and bridge chords. Great song!

## Am

Quote you are my soul unquote

Now does that sound familiar?

Kiss the boy and make him feel this way

Quote well this is me unquote

You have been so ugly your entire life

So why change now?

Chorus

## Am

Quote we never talk unquote

And thats when I don t answer

Don't you dare ask why

Because you don't want to know,

Quote Well woe is me unquote

How different I ve become

And no one understands, my dear, no one really cares

## Am

## C

Is this how you want to go down?

**G**

Right before my eyes

## Em

**F**

You are the saddest sight I know

## Am

## C

You re (so) quiet you never make a sound

**G**

## Em

**F**

But here inside my mind you are the loudest one I know

## Am

## C

And you were right, right from the start

**G**

C G  
And now the old things will pass away

Am  
I saw your light once

F  
Did you see mine?

C G  
But not all things will pass away

Am  
You turned your light off

F Am F  
So I turned mine, away from your sadness,

Am F  
away from the nothing that you feel for me

Chorus

Am  
Quote, hey listen cause I ll only say this once  
I finally found the words  
That mean enough to me  
Good bye my soul, unquote
