Evans Blue - Quote

Standard Tuning

Capo 1st fret

Tabbed on Acoustic

=====

Intro and verses play around on Am
Others have tabbed the intro/verses,
but this tab only shows
chorus and bridge chords. Great song!

Bm

Quote you are my soul unquote
Now does that sound familiar?
Kiss the boy and make him feel this way
Quote well this is me unquote
You have been so ugly your entire life
So why change now?

Chorus

Bm

Quote we never talk unquote
And thats when I don t answer
Don t you dare ask why
Because you don t want to know,
Quote Well woe is me unquote
How different I ve become
And no one understands, my dear, no one really cares

Bm **D**

Is this how you want to go down?

A

Right before my eyes

F#m **G**

You are the saddest sight I know

Bm **D**

You re (so) quiet you never make a sound

A **F#m** **G**

But here inside my mind you are the loudest one I know

Bm **D**

And you were right, right from the start

A **F#m** **G**

It took everything you had, but you finally broke my...

D A Bm F#m G -- Solo

D A
And now the old things will pass away

Bm
I saw your light once

G
Did you see mine?

D A
But not all things will pass away

Bm
You turned your light off

G Bm G
So I turned mine, away from your sadness,

Bm G
away from the nothing that you feel for me

Chorus

Bm
Quote, hey listen cause I ll only say this once
I finally found the words
That mean enough to me
Good bye my soul, unquote
