

Say It
Evans Blue

Fm
Say it
Explain yourself, go on
Just hang yourself

Db
No one takes pride for pain
Save your game
No one believes you anyway

Fm
Save it
You know you've been shut down

Db
Your shit's been figured out
And all your ways belong to fate
I can't believe you had me

Eb **Db**
No one around to show me

Eb **Db**
But I should have known

Now I can't go back, if only

Fm
You were the animal
Db
I held the reins and you pulled

Ab
Living on hope

Eb
Keeping your eyes closed

Fm
But I was the animal
Db
And you held the reins while I pulled

Ab
Living on hope

Eb
You kept my eyes closed

Fm
Say it

Defend yourself, go on

Db

We re listening, what s wrong?
Did I hit the spot, piss you off
Make you a fool in front of everyone?

Fm

Take it
It s time, admit your faults

Db

It s your turn feeling small
To aggravate, the pain awaits
And this time there is

Eb **Db**

No one around to show you

Eb **Db**

But you should have known

Now you can t go back, if only

Fm

You were the animal
