Warrior
Evaride

  [Intro]
N.C.
Warrior, we re warrios

[Verse]
C   Em
Black and blued, got the scars to prove
          G   D
But there ain t no shame in the pain
            C   Em
Yeah the crowds will cheer, then they disappear
        G   D
And you never stop playing the game
          C   Em
In your eyes, there s a truth
      G   D   C
Never hide, behind tears that we all cry
        Em   G
Don t refuse, you re the fight
        D
Can you hear the call?

[Pre-Chorus]
          C
What you gonna do
        Bsus4   B
When the lights on you?

[Chorus]
C   G   Em
Warrior, we were born the fighters
        D
There s beast inside us
C   G   Em
Warrior, to the lone survivors
        D
We will stand beside ya
C   G
  Pick you up, when you re down
Em   D
  Rise up from the ashes now
        C   G
Like a warrior
Em   D

We re warriors

[Verse]
C   Em
Blood and sweat, now they won t forget
        G   D
Hear the people singing your name
          C   Em
Drowning out the silence, the righteous violence
        G   D
But you never turn and walk away
          C   Em
Seize the moment in your hands
        G   D
See the beauty in despair
          C   Em
Yeah it s in your bones, and now you know that
        G   D
You re never gonna feel the same

[Pre-Chorus]
                C
Cause when they hold us down
        Bsus4   B
We ll be screaming out

[Chorus]
C   G   Em
Warrior, we were born the fighters
        D
There s beast inside us
C   G   Em
Warrior, to the lone survivors
          D
We will stand beside ya
C   G
  Pick you up, when you re down
Em   D
  Rise up from the ashes now
        C   G
Like a warrior
Em   D
  We re warriors
        C   G
Like a warrior
Em   D
  We re warriors (we re warriors)

[Bridge]

```
C   G   Em   D

        C                       G
We were born the fighters
        Em       D
We are warriors
          C                 G
There s a beast inside us
        Em       D
We are warriors
C       G
Warrior
Em              D
   We re warriors
C       G
Warrior
Em                D
   We re warriors
