Intro: **F5**

F5
Drag this neurotic to hysterics. Leave him balked and unfulfilled
Eb5 **F5**
holding inside outwardly patient till the time he ll call it.

Alluring exotic twisted hero. Leaving him more lonely still. He
Eb5 **F5**
waits around hes spun around and left without the power to stop

it. Peers dont know what they cant see. They cant see inside of
Eb5 **F5**
me. Its sickening how comforting the privacy of the mind can be.

Chorus:

C5 **Bb5** **F5** **C5**
How much longer will I try before I realize Im desperate in the
Bb5 **F5** **C5** **Bb5**
situation that im in again. Im exhausting yet another topic Ive
F5 **C5** **Bb5** **F5**
exhausted frequently with no regrets. Oh Yeah
