

Think Twice

Eve 6

Artist: Eve 6

Song: Think Twice

Lyrics + Intro Chords

Intro **Am-F-C-G**

Am **F**
 When all is said and done
C **G**
 And dead does he love you
G
 The way that I do
Am **F**
 Beathing in lighting
C
 Tonight s fighting
G
 I feel the hurt so physical

Play it the same in the next verse just faster

Am F
Think twice before you touch my girl
C G
Come around I ll let you feel the burn
Am F
Think twice before you touch my girl
C G
Come around come around no more
Am F
Think twice before you touch my girl
C G
Come around I ll let you feel the burn
Am F
Think twice before you touch my girl
C G
Come around no more

Am F
She spreads her love
C
She burns me up

Am **F**
I can t let go
C
I can t get out
Am **F**
I ve said enough
C **G**
Enough by now
Am **F**
I can t let go
C **G**
I can t get out

Wait till the day you finally see
I ve been here waiting patiently
Crossing my fingers and my t s
She cried on my shoulder begging please

Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around no more

She spreads her love
She burns me up
I can t let go
I can t get out
I ve said enough
Enough by now
I can t let go
I can t get out

What is it you really want
I m tired of asking
You come wasted

When I showed up and he was there
I tried my best to grin and bear
And took the stairs but didn t stop at the street
And as we speak I m going down

Cause she spread her love
And burnt me up
I can t let go
I can t get out
I ve said enough
Enough by now
I can t let go
I can t get out

Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around no more

Thanks to Ben Travis For helping me play cool stuff on the guitar
