

Am F
I can t let go
C
I can t get out
Am F
I ve said enough
C G
Enough by now
Am F
I can t let go
C G
I can t get out

Wait till the day you finally see
I ve been here waiting patiently
Crossing my fingers and my t s
She cried on my shoulder begging please

Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around no more

She spreads her love
She burns me up
I can t let go
I can t get out
I ve said enough
Enough by now
I can t let go
I can t get out

What is it you really want
I m tired of asking
You come wasted

When I showed up and he was there
I tried my best to grin and bear
And took the stairs but didn t stop at the street
And as we speak I m going down

Cause she spread her love
And burnt me up
I can t let go
I can t get out
I ve said enough
Enough by now
I can t let go
I can t get out

Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I ll let you feel the burn
Think twice before you touch my girl
Come around no more
