G

Em

C

D

Em

G

Em

D

Em

C

my eyes are just as blue as hers, my hair is just as fine. and the tattoo on her
lower
exactly just like mine.

G

D

but if you look beneath the surface, we re as different as can be.

Em

C

Am

cause there is just one heart that beats for you and that heart belongs to me.
and not her.

C

it s always her.

D

so, let s get one thing straight if i m your girl.

CHORUS

Em

G

i ll know that you re not hanging around for her. no, not for her.

G

D

and now i ll know your love is true for sure.

C* (do not strum)

G

it pains my heart to think of her a rotting, stinking, maggot infested, bloated
and
corpse

Em

beneath the earth.

C* (begin strumming again)

D

G

you can t imagine just how much i miss her.

C

D

G

but now i know you want me, not my sister.
