A VCR and a DVD

There wasn t none of that crap back in 1970

We didn t know about a world wide web

It was a whole different game being played
 Back when I was a kid
 You wanna get down in a cool way?
 Picture yourself on a beautiful day
 With the big bell bottoms and groovy long hair
 Just a walking in style with a portable CD player

Flash back to 72
 Another summer in the neighborhood
 Hanging out with nothing to do
 Sometimes we go driving around in my sister s Pinto
 Crusing with the windows rolled down
 We listen to the radio station
 We were too damn poor to buy the 8-track tapes
 But it was a good time don t wanna be inside
 My momma wanna watch that TV
 All God damn night

We were all growing up on the in and the outside
We got in trouble with the police man
We got busted for getting high
In the back of my friend s van
