Song- I will buy you a new life

Tabbed by: Hazy (hazer11@home.com)

This song sounds hard at points, but guess what?
I have a surprise for you.....IT REALLY ISN'T!

Just hold on here and I will show you how it goes...

On the intro, PM a G5 power chord on the low e.
So, it goes...

A5 A5 A5 A5 A5 A5 A5 YEAH! A5 A5 A5 A5 A5 A5 A5 OHH YEAH! And so on.

The verses sound like they are hard riffs...
but they aren't! It's just chords, with random
notes picked. Here are the chords in order!

A5, C#5, Eb5

And here is the totally wicked chorus! (be sure to sing along!)

A5, C#5, F#5, D5

That's all. I am for real yo! Now go play it and make
your mother proud!

Email me with any questions! Goodbye.====
