Songs From An American Movie Vol 2:
Good Time For A Bad Attitude
Lyrics By Art Alexakis

Tuning half a step down

NOTE: Tuning is half a step down (Low to High EbAbDbGbBbeb)

All Chords are written with respect to that tuning
(ie A becomes G#)

(Verse Riff)

	B	F#	Ebm	Db
eb	-----	-----	-----	-----
Bb	-----	-----	-----	-----
Gb	-----0-----	-----0-----	-----0-----	-----0-----
Db	-----5-----	-----9-----	-----7-----	-----
Ab	-----3-----	-----5-----	-----7-----	-----6--5-----4-----
Eb	-----5--3-----	-----	-----	-----

(No Guitar) (Verse riff)

It can come from out of nowhere
Hit you when you re safe and warm
Take it easy my star
Your time is gonna come
Your time is gonna come

You got those crazy blue eyes
Yeah, you got those crazy blues
All those pretty smiles
I can see them laughing at you
Your time is gonna come
Your time is gonna come

(FOR CHORUS: Guitar (probably with a chorus pedal) plays each chord once, while another strums the chords continuously behind with palm muting)

(NOTE: Remember that it s tuned 1/2 step down. So play a B chord like you would play a C in standard tuning.)

Yeah you say you got this bad thing

You have broken every heart

Some day the time will come
When all your friends will go away

I wonder why I stick around
Sometimes I wish you would leave
You say you ll love me forever
Then you spit on me
Your time is gonna come
