Just simple, going off the guitar parts. You gotta listen to the song where it goes between A0 and A2

Tuning:

```
G|-----|
D|-----|
A|--0-0-0-0-0-0-0-0-0---2-2-2-2-2-2-2-2-2-----|
E|-----|
```

```
G|-----|
D|-----|
A|--0-0-0-0-0-0-0-0-0---2-2-2-2-4-4-4-4-----|
E|-----|
```

And so on until the Chorus:

```
G|-----|
D|-----|
A|-5-5-5-5-0-0-0-0-2-2-2-2-4-4-4-4-5-5-5-5-0-0-0-0-2-2-2-2-4-4-4-4-----|
E|-----|
```

then it carries on as above until the last note

```
G|-----|
D|-----|
A|---0-----|
E|-----|
```

No tricky stuff, no slides, slaps pops, mutes etc. Just plain old finger picking.
