

**The Honeymoon Song**  
**Everclear**

album: Songs From an American Movie, Volume One: Learning How to Smile  
tabbed by: Matthew Zelman (\*)

A very cool, very simple, bass-driven song

intro:

```

g-5--5/3--3/2--2/1--1/5-----|-----
d-----5-3-1---|-----
a-----3-|-3--3/1--1/0-----3-----3- hold last
note
e-----|-----5/4--4-----3-1-0---

```

chorus:

```

g-----
-----|-----
d-----
-----|-----
a-----3-3-3--7-5-3- x2, then
-----3-3-3-----|-----3-3-3-
e-1-1-1--3-3-3-----
-1-1-1--3-3-3-----1-1-1-|-1-1-1--3-3-3-----

```

last 3 notes segue into verse:

```

g-----|-----
d-----|-----
a-3-3-3--1-1-1-----|3-3-3-----3-3-3--3-3-3-
e-----5-5-5--4-4-4-|-----3-1-0-----

```

Then it s just guitar the rest of the way. All the timing and segues make sense  
when you hear the song.
