Wishing
Everclear

F*
Standing outside your door
A*
I look crazy to the world
F*
I have been to this place before
A*
The right guy for the wrong girl

F*
I wish I could wake up from a dream that
A*
I just don t want to believe
D*
Now I m sitting here waiting for you
Bb*
And I know you re walking away from me

F*
I don t want to say the words
A*
That everyone seems to know
F*
I put you in every room with me
A*
You are everywhere I go

F*
I wish I could wake up from a dream that
A*
I just don t want to believe
D*
That I gave a beautiful freak like you
Bb*
Power and control all over me

F   A
Please don t leave me
     D
Please don t go
Bb
I don t want to be alone

(same as before)
Wishing don t count for much

When that thing you won is gone
I refuse to believe in luck
Not when it comes to my love

I wish I could wake up from a dream that
I just don t want to believe
That all the bad things I ve done in my life
~~(stop palm mute)
Are coming back to torture me
Please don t leave me
Baby please don t go
I don t want to be alone

Please don t leave me
Baby please don t go
I don t know how to be alone

F*
One Two Three

(resume palm mute)
F*
You walked into my life
A*
Like you walked into a crowd
D*
I obsessed on how you obsessed on me
Bb*
I wish that I could see what you saw in me

All the things you said you liked so much
And other things you say you hate
Yeah now all I want to do is start over again
And all I want to do is try to make you want to stay

I m sorry this sounds so lame
But you... way too late
Just tell me what I need to say
That ll make you want to stay

Please don t leave me
Please don t go
Please don t go
Please don t tell me that it s time for you to go

Please don t leave me
Please don t go
Please don t go
Please don t tell me that it s time for you to go

I don t know how to be alone
I don t know how to be alone
I don t know how to be alone

Please don t be cruel
Please don t do to me
The horrible things that I did to you

*-Palm Mute Chord, or note palm mute. sounds good either way.
