

**To Die For**  
**Everfound**

[Verse 1]

**C**

Looking back to the way it was

**Em**

I never guessed that it d be you

**C**

We talked and laughed about our friends

**Em**

And said that they were fools

**Am G**

It seemed pointless, hopeless

**F**

The way they lived their lives

**Am G**

I didn t even notice the closeness

**F**

Of you here by my side

[Chorus]

**F Gm**

I thought it was crazy, stupid

**Em Am**

I didn t understand

**Dm G Em**

The actions of a reckless heart

**F Gm**

I didn t get it, I didn t feel it

**Em Am**

Til I met you

**F**

Then I found a love worth fighting for

And it s to die for

[Verse 2]

**C**

When you re living day by day

**Em**

You re never really sure

**C**

**Em**

People come and go so fast, it all seems such a blur

**Am G**

I wasn t looking, I wasn t thinking

**F**

I never even tried

**Am G**

I didn t even notice the closeness

**F**

Of you here by my side

[Chorus]

**F** **Gm**  
I thought it was crazy, stupid  
**Em** **Am**  
I didn't understand  
**Dm** **G** **Em**  
The actions of a reckless heart  
**F** **Gm**  
I didn't get it, I didn't feel it  
**Em** **Am**  
Til I met you  
**F**  
Then I found a love worth fighting for  
And it's to die for

[Bridge]

**Dm** **G**  
To think I might have never opened my eyes  
**Dm** **G**  
And found the way it feels to let you inside

[Pre-chorus]

**Am** **G**  
It was so pointless, hopeless  
**F**  
The way I lived my life  
**Am** **G**  
I didn't even notice the closeness  
**F**  
Of you here by my side

[Chorus]

**F** **Gm**  
I thought it was crazy, stupid  
**Em** **Am**  
I didn't understand  
**Dm** **G** **Em**  
The actions of a reckless heart  
**F** **Gm**  
I didn't get it, I didn't feel it  
**Em** **Am**  
Til I met you  
**F**  
Then I found a love worth fighting for  
And it's to die for  
**C**  
It's to die for  
**Em**  
To die, to die for  
**C**  
You're to die for
